

# YOUR PERFECT SHERIDAN BED

ULTRACOOOL®

The key to a blissful night's sleep is a bed that is made correctly. Sheridan's quality bedding essentials are the foundations of a well dressed bed.

The Ultracool® range includes a quilt, mattress protector and pillow protector. This collection is designed to enhance the quality of your sleep by keeping you comfortable during warmer nights.

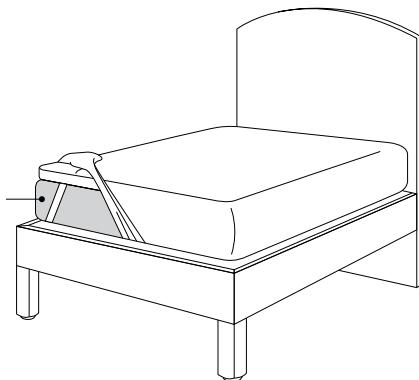

**SHERIDAN**

## STEP 1: MATTRESS PROTECTOR

The Ultracool® mattress protector serves an important dual purpose: protecting the mattress from dust and providing an extra layer of insulation. It is machine washable and has a generous depth, allowing a secure fit even on the deepest of mattresses. We recommend that you rotate your mattress every two to three months.

ULTRACOOl® MATTRESS PROTECTOR

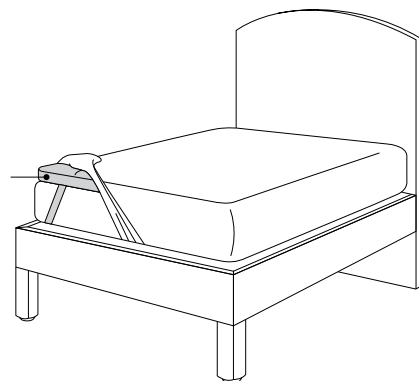

## STEP 2: BED TOPPER

The Deluxe Dream® bed topper is a perfect complement to our Ultracool® range, creating an ultra-luxurious sleeping experience. Filled with Ultrafresh® polyester, it has the maximum loft and fullness you would expect from a high quality bed topper. Use up to a 50cm depth Sheridan fitted sheet over the bed topper and mattress.

DELUXE DREAM® BED TOPPER

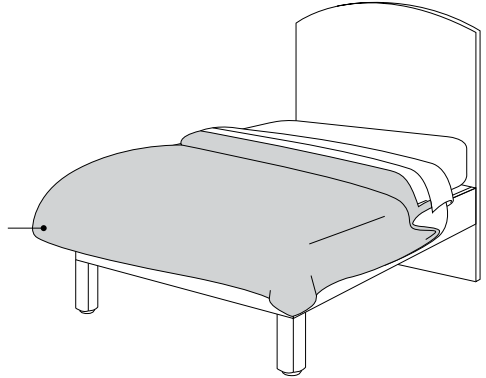

### STEP 3: QUILT

Top your bed with our light and comfortable Ultracool® quilt, perfect in summer by keeping you cool during warmer nights. Diamond-pattern stitching creates individual pockets that hold the filling in place for evenly distributed warmth for a blissful night's sleep. We recommend that you fluff the quilt each morning to ensure its pristine condition for years to come. To add to your master bedroom look, cover your quilt in one of this season's Sheridan quilt covers.

ULTRACOOLO® QUILT

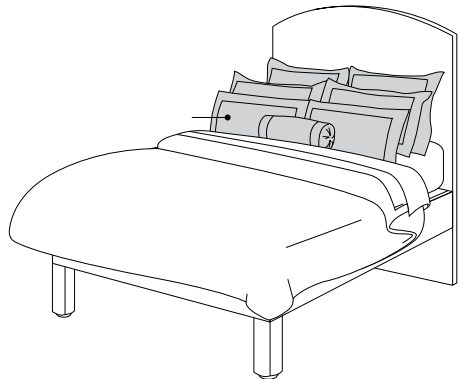

### STEP 4: PILLOWS

Our high performance Ultralux® pillows complete this Ultracool® bed. They are constructed from DACRON® Duralife® fibre that is not only hypoallergenic but will also provide you with lightweight support and long lasting fullness. Cover these pillows with Ultracool® pillow protectors to extend their life span. They have a luxuriously soft Supima® cotton cover which will provide you with a heavenly sleep night after night.

## CARE

Mattress protector, Bed topper and Pillow are machine washable. Machine wash in a large or commercial size washer with warm water and a mild detergent on gentle cycle. Remove promptly. Quilt is dry clean only. Also refer to the product's care label as there may be instructions specific to that product.

## 5 YEAR WARRANTY

Sheridan guarantee this product for a period of 5 years against faulty workmanship. Faulty goods will be either repaired or replaced with equivalent product at Sheridan's discretion. Please contact Sheridan Customer Service on 1800 625 516.
